

BOOK OF REMEMBRANCE ~ Information and Prices 1st April 2019 – 31st March 2020

The Book of Remembrance, comprising four Volumes, one for each quarter of the year, is encased in a bronze mounted glass case on a carved oak pedestal, situated in the Cloisters of our Chapel.

Inscriptions are inserted on the page headed with the appropriate date of death and provide a permanent memorial. The pages of the Book are turned each day so that the entry can be seen on the anniversary of the date of death each year, or the date chosen for the entry. If, however, it is not convenient to visit on that date, arrangements can be made with the Crematorium Office for the pages of the Book to be turned on any other day, providing the Volume for the respective period is available. Please contact the office prior to any visits to ensure the book is on site at not at the calligraphers.

Entries, which can include Crests, Service Badges, Floral Emblems and Heraldry, in full colour, will be accepted at the following fee, inclusive of VAT at the current standard rate.

Please note: Each volume is sent to the Calligraphers the quarter before it is due to go on display. Therefore your application needs to be submitted in time to allow for the application to be processed, for example entries for:

January, February and March

need to be submitted by the end of *September*

April, May and June

need to be submitted by the end of *December*

July, August and September

need to be submitted by the end of *March*

October, November and December

need to be submitted by the end of *June*

The calligraphers are unable to provide proofs as they deal with thousands of entries each quarter and this would have a huge impact on their ability to fulfil their commitments for entries to all Books of Remembrance. They use professional artists and calligraphers who have worked with the company for many years. We suggest you look at the existing entries in our Book of Remembrance to see their work and the sort of entries and emblems provided.

If you have a specific request for an emblem please provide reference for the calligraphers to work from, but please be mindful that the scale of the entry will not allow for great detail. The calligraphers would contact us if there is any problem with the example sent with the order and we would contact you to discuss further.

Floral Emblem consists of any flower

Badge/Crest is anything other than a flower, ie: animal, tree, vegetable, sporting equipment, more-or-less any inanimate object, plus military and professional badges which stand as issued and should not be altered in any way, flowers tied with a bow or in a vase

Full Heraldic Device is a family crest or coat of arms and a coat of arms consists of a shield with a helmet above, mantling (flowing material) either side and a motto
